

Summer Assignment #3

- Make an Inspiration book (sketchbook, journal, and idea book) to record ideas and develop concepts for possible concentration of the student choice for next year's AP 2-D Design Photography Class.
- You may use your former Photography Journal from Photo I class or start a new book.
- You may include color images from your summer that represent your best compositions.
- Students should also include in this Inspiration book any notes, brochures, business cards, flyers from visits to Art Gallery's, Museums, Art Festivals, etc. they go to during the summer.
- Go online and research and clip notes and write impressions in here as well as any images that you especially like or dislike and state your reasons beside of the pasted image for selecting it. Here is a small sampling to get you started of famous photographers.
